

# EC Euro Checker

Automatic counterfeit note detector

Hologram and infrared-sensitive ink reading

**EUROCHECKER** is a state-of-the-art product that checks infrared inks and holograms. This easy to use device can be placed next to any cash register, thanks to its very small size. The test result is safe and immediate, **EUROCHECKER** checks whether the note is authentic or counterfeit (**GREEN LED** is it is authentic – **RED LED** if it is counterfeit).
